Today's workshop

09:30- 09:45: Introduction OneNet & WP11 (Project coordinator & WP11 leader)

09:45-10:15: Techno-economic assessment of proposed market schemes (task 11.2)

10:15-10:45: Recommendation of interoperability platforms and data exchange for TSO-DSO-customer coordination (task 11.3)

10:45-11:15: Scalability and replicability analysis (task 11.4)

 11:15-11:45: Business Models Analysis of OneNet solutions (task 11.5)

11:45-12:00 Final remarks

WP11: From OneNet demonstrators to EU-wide implementation of coordinated market schemes and interoperable platforms for standardized system products

General objectives:

analyse the results of the different cluster demonstrations to extract conclusions for EU implementation, including the corresponding **supportive policies to enable TSOs-DSOs-customers to procure standardized system products** coordinated through **interoperable platforms**.

Sub-objectives:

1. Evaluation of the technical, economic and regulatory aspects of **standardized products**

2. Feasibility assessment of the **market schemes** and their impact on the existing markets

3**.** **Interoperable platforms and data architecture** to support TSO-DSO-customers coordination

4. **Scalability and Replicability Analysis** of the proposed standardized products, market schemes and platforms for the EU-wide implementation

5. **Business models analysis** for OneNet solutions

6. Recommendations for **customer engagement strategies**

7. **Implementation challenges** of standardized products, market schemes, data access and management and interoperable platforms in the EU

WP11 timing

WP11 Deliverables	2023							2024		
	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar
D11.1 Evaluation of OneNet Demonstrators										
D11.2 Techno-economic assessment of proposed market schemes										
D11.3 Recommendation of interoperability platforms and data exchange for TSODSO-customer coordination										
D11.4 Scalability and Replicability Analysis										
D11.5 Customer engagement strategies recommendations										
D11.6 Business model analysis of OneNet solutions										
D11.7 EU wide implementation of market schemes and interoperable platforms										

Public workshop   **Public consultation**   **Public workshop**   **Project end**
